O nama

Tvrtka ART BETON d.o.o. osnovana je 1991. godine. Proizvodnju smo počeli s tek nekoliko betonskih proizvoda te kontinuiranim ulaganjem u kvalitetu i tehnologiju postali smo proizvođački lider u svojoj branši, s preko 500 raznovrsnih betonskih proizvoda. Trudimo se nastaviti jedan stari zanat koristeći nove tehničke mogućnosti. Svoj proizvodni program temeljimo na individualnim željama i ručnoj izradi, koristeći stručno znanje i višegodišnje iskustvo na mnogobrojnim projektima kako na hrvatskom, tako i na inozemnom tržištu. Uspješno poslovno surađujemo već više od 20 godina s poslovnim partnerima iz Austrije, preko kojih smo zastupljeni na tržištima Zapadne Europe. Također, izrađujemo betonske elemente prema projektima investitora, za poslovne i privatne građevine, kod obnove i restauracije, te konstruktivne i dekorativne betonske elemente kao dijelove modernih građevina. Nadamo se da će Vam primjeri u galeriji naših fotografija poslužiti kao inspiracija i potaknuti maštu za uređenje Vašeg doma i zelenog okoliša. Ako želite znati više o proizvodima firme Balustrade art beton, rado Vam stojimo na usluzi.
